

# UMPIRES NEEDED

The surrounding area currently has a shortage of qualified softball umpires. Adult umpires who attend a Level 1 clinic and become carded with Softball Ontario are able to umpire players of all ages. Teenage umpires are also needed and may umpire divisions as qualified.

Remuneration is based on division umpired.

More information about umpiring and remuneration can be found by visiting [www.augustasoftball.com](http://www.augustasoftball.com)
